

Our Mission

The voice of New Hampshire's retail food industry, supporting and advocating for its members since 1933.

Legislative Stances

Working with the various state regulatory agencies to ensure they are considering the best interests of New Hampshire's food industries when creating and enforcing rules and regulations.

Association Member Benefits

[Legislative Lobbying](#) – Advocating and advancing the grocery community's priorities outside and inside New Hampshire's State Capital is our priority.

[Workers' Compensation Insurance Program](#) – State-approved, self-insured workers' comp program offering discounted premiums, dividend earning potential, local claims management and safety services.

[Grocery Coupon Redemption Program](#) – Saving retailers time, money and energy on coupon redemption.

[Credit Card Processing](#) – Exclusive member pricing with average savings of \$150/month, no startup fees or contracts, 24/7 local support, next-day funding, and secure payment gateway with live customer service.

[Energy Discount Programs](#) – Group energy purchasing discounts on rates for both electric and natural gas.

[ATM Program](#) – Specialized ATM program developed for NHGA members. Lease and purchase options.

[Payroll Processing / HR Support](#) – Discounts on payroll processing and HR support, plus "pay-as-you-go" workers' comp integration for automated payroll reporting, replacing your audit.

[Group Dental Insurance](#) – Special member pricing. 4 dental plan options with varying benefit levels. No employee minimum participation required.

[Scholarship Program](#) – Available to members, their employees and their children pursuing studies related to the food industry. \$1,500 scholarships awarded each year. Over \$1.2 Million awarded to date.

[Educational and Networking Events](#) – Seminars, conferences and exhibitions bringing representatives in the food industry together for education and collaboration.

[Information / Communication](#) – Stay informed with The Weekly Newswire e-newsletter, Monthly News & Food Report by email, other e-News on Legislative Updates and Industry Alerts, all to keep members apprised of policy changes affecting the industry.

[Annual Report](#) – Emailed to members each year with updates on the association's activities.
